Meet Michael! This is his classroom at school, and he sits by the window. Michael has cystinosis, which can make him very thirsty and makes his eyes feel the light more than other people do—so he keeps water and sunglasses on his desk! What do you keep on your desk to help with cystinosis?

Search and find

Michael loves school because he learns a lot and has fun! Can you find and circle these fun objects in the classroom?

- **6 fish**
- **2 apples**
- **A globe**
- **An airplane**
- **A rocket**
- **An easel**

What do you keep on your desk?

- _____
- _____
